

SNAP^NFLOW™

by DeVilbiss

Mix • Connect • Spray

Instructions

1 Install adapter on gun

2 Mix directly in cup

3 Attach lid to cup, pressing to ensure tight seal

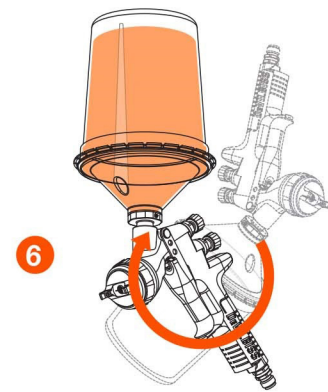

4

Squeeze gun trigger and attach onto lid by twisting into locking position. Carry gun into booth in this position

5

Attach air hose and pull trigger. This clears any paint out of air vent

6

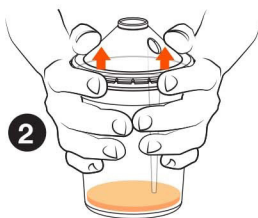

Rotate gun where cup is right side up. You are ready to spray

For Refills:

1

Remove gun

2

Remove lid from cup by pressing down with thumbs and lifting with index fingers

3

Quickly place lid rightside up on another mix cup and refill

4

Repeat steps 3-6 above

Model #	Order #	Description	Qty Per Pack
